

LABOR DAY

WE HONOR AN IMPORTANT
PART OF OUR NATION'S GREAT
RAILROAD INDUSTRY . . .

-BREX-

We salute the Personnel of the Industry that has done so much to build our community . . . The BURLINGTON REFRIGERATOR & EXPRESS COMPANY . . . whose hundreds of employees and whose management make PLATTSMOUTH an important link in the great system of fast, dependable distribution so vital to our Nation . . . now more essential than ever before. We recognize and appreciate the great part "BREX" plays in the civic, business and industrial life of our City, a great factor in the history of Plattsburgh. So, again on LABOR DAY . . . we say "THANKS".
