(Continued From Page One) braska Wesleyan University as a music major.

Miss Kunkel attended all-state Fine Arts course at the University of Nebraska in the summer of 1949 and 1950 and was a featured flute and piccolo soloist both years in the band concert. She played the violin in the all-state orchestra both years.

The past two summers Dorothy Ann has spent at the National Music Camp, Interlochen, Michigan, where she gained national fame by earning a place in the Honors orchestra as a flutist in 1950 and as a violinist in 1951.

But at the camp her activities were not limited to music. She received an award for outstanding canoeing and was one of six high school girls out of 350 to receive the honor of "outstanding girl camper."

In addition Miss Kunkel has won superior ratings in both the county and district music contests and was a member of a girls' trio that won superior ratings in both contests. In the district speech contest, she won a superior rating for extemporaneous speaking.

As a junior she participated in County Government Day at Plattsmouth and was chosen by Weeping Water's American Legion Auxiliary to attend Girls' State, where she was nominated for Lt. Governor.

Extra-curricular activities in high school included band, chorus, volleyball, student manager, president of the Pep Club, class officer, year book staff, student council, junior and senior class plays and Junior Miss. For two years she worked with a junior boys' choir in the Methodist church, where she is a member.

At commencement this year, Miss Kunkel was awarded the American Legion school award for outstanding citizenship and scholarship, the Danforth award for citizenship, a \$500 scholarship to Lindenwood College for Girls, alternate Regents Scholarship to the University of Nebraska, and the Nebraska Church School scholarship which she is now using at Nebraska Wesleyan University, along with a music scholarship granted her through her violin teacher, Geraldyn Walcott Bennett.

Her parents have been residents of Cass county since 1932, first year of the Korn Karnival, when Dr. Kunkel started medical practice at Weeping Water. Dr. Kunkel's father, the late Rev. B. N. Kunkel, was a member of the Nebraska Methodist conference for 48 years and for several years preached at Union. He had lived at Nehawka prior to his death. The Queen's grandmother still resides at Nehawka.

Miss Kunkel comes by her musical talent through both parents, who are accomplished musicians. Her mother is an accomplished violinist and pianist, and Dr. Kunkel formerly directed the 157th Infantry Band at Ft. Collins, Colo., and the Weeping Water Municipal band. His Little Symphony Orchestra is still one of the feature organizations at Weeping Water. Dr. Kunkel is also noted as a violin maker.

Ladies in waiting for Queen Dorothy were Janet Christensen, daughter of Mr. and Mrs. Leo Christensen, and a freshman at Peru State Teachers College; Ginger Philpot, daughter of the late Mr. and Mrs. Donald Philpot, also a freshman at Peru; and Carolyn Kunkel, a senior at Nebraska University. All are from Weeping Water.

Police And Street Department Rate Korn Klub's Thanks

What'd we do without them? That's a question posed every year when the King Korn Karnival rolls around, and its directed at the Plattsmouth street department.

Under the supervision of Elmer Goehner, the department annually is charged with making many of the arrangements for seating, marking streets, and a variety of projects. Many who recall the debris in the streets following the Koronation Wednesday night, found a clean business district Thursday morning.

The city's police department, under whose supervision most activities are actually carried out, have also earned the thanks and praise of the King Korn Klub.

Memberships In King Korn Klub Still Available

There is still time to become a member of the King Korn Klub for 1952. One dollar memberships will remain on sale throughout the Karnival.

Kornland's Spirit Is World's Hope For Lasting Peace

"When the spirit of Kornland has spread throughout the universe, there will be peace in all lands," King F. L. Rea of Plattsmouth told his loyal subjects Wednesday night following the royal coronation.

But for the meantime, he commanded the spirit of Kornland to continue and he urged that the same spirit be spread to each community by his loyal subjects.

However one of the King's statements met rebuff from Her Highness, Queen Dorothy Ann Kunkel of Weeping Water. Miss Kunkel, contrary to His Majesty's statement, complimented the committee on its selection of a King.

Rotarians Are Challenged To Back Korn Show

"CAP" is the three-point program required to put the King Korn Karnival over. Orville Nielsen, financial treasurer of the group, told Plattsmouth Rotarians Tuesday noon.

The three points emphasized by Nielsen who outlined the overall program, are contributions, annual memberships and participation. It's difficult to place any one first, since the three are dependent upon each other.

Nielsen explained that the King Korn Karnival does more to cement relationship with farmers and throughout Cass county than anything else at Plattsmouth. He challenged Rotary members to take a more active interest in the program. At the session, President Howard Hitz announced that District Governor Fred Lentz of Beatrice, brother of Rev. A. B. Lentz of Plattsmouth-Louisville will be a guest.

A visiting Rotarian at the Tuesday session was George Mathews of Boston, Mass., an ocean shipper, while Band Director McKenney was a guest of T. I. Friest.
