They make it look simple!

International Trucks make even the toughest farm hauling jobs look simple.

They stand up better, longer under rugged road and load conditions. They take it easy on everyday operating expenses, cost less to keep in condition. The reason's easy to understand. They're built for the job, specialized for the haul.

Want to cut your hauling costs? See us for a complete demonstration on your farm this week.

Only Internationals combine all these advantages:

- All-truck engines—built in the world's largest exclusive truck engine plant.
- The "roomiest, most comfortable cab on the road"—the Comfo-Vision Cab.
- Super-steering system—more positive control, easier handling, 37° turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales 20 straight years.
- The truck engineered for your job... 115 basic models, from 1/2-ton pickups to 90,000 lbs. GVW ratings.
- Largest exclusive truck service organization.

International L-160 series offers GVW ratings from 14,000 to 16,500 lbs., a variety of specialized bodies for every farm hauling job.
