Temperatures here may be at a low ebb, but the mercury climbed rapidly at Ernie's Bar during the past week end.

In a gesture to raise additional funds to help fight polio, a fund raising campaign was started in which progress of the campaign was noted on an imitation thermometer drawn by Sgt. Ellen L. Keys.

Success was so great however that within 48 hours the thermometer burst as its capacity of \$55 was exceeded and \$56.01 was recorded and turned in to Mrs. Esther Donat, polio fund chairman.
