### It's Your Privilege To Vote!

One of the most cherished rights which we, in this free land of ours, possess is the right to vote as we please. It's like choosing the church we attend and raising our families as we wish.

All good citizens exercise their right to vote as a prime duty of good citizenship, and your neighbor, the tavernman, is no exception. He, too, exercises his right by going to the polls.

In other ways, too, your tavernkeeper is a good citizen. He carries his share of the responsibilities of local government; he is a generous contributor and taxpayer; he maintains a home, and spends money with local merchants.

He is an important part of your community.
