CHRISTIAN SCIENCE SERVICES

"Ancient and Modern Necromancy, Alms, Mesmerism and Hypnotism, 'Denounced' is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday, November 30, 1952.

The Golden Text is: "God rewardeth the wicked for their wickedness." (Proverbs 21:12). Other Bible citations include: "The Lord, the hope of Israel, shall forsake thee; and they that depart from me shall be written in the earth, because they have forsaken the Lord, the fountain of living waters, they shall be healed, and I shall be saved; for that is my praise." (Jeremiah 17:13, 14).

The Lesson-Sermon also includes the following passage from the Christian Science text book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We classify disease as error, which nothing but

Truth or Mind can heal, and this Mind must be divine, not human. Mind transcends all other power, and will ultimately supersede all other means in healing." (Page 483).

Bible Comment:

No Persecution Can Separate Us From God's Love

TO know God means a great deal more than just believing in His existence. The God that Jesus revealed is a God of love. Who so loved the world that He gave His only begotten son to be its Savior.

His love is more powerful than all the hate man sees thrust upon Him. In this world of bitter competition in which we find ourselves, it is often more difficult to realize that God's love is there in spite of all other things that seem to defy it.

From time to time we find men questioning God's purpose. They do not seem to understand that in His purpose is a richer reward than all the material wealth of their material world.

To know God is to realize and share in God's purpose as far as the human race is concerned. And that purpose is one of absolute love and redemption. This fact is constantly reaffirmed in the Bible.

It is also the theme of John the Baptist. Lastly, it is the essence of Christ's gospel and is revealed in all that He said or did.

Paul became the great exponent of this philosophy after his conversion. It dominated him so completely he was certain no power or experience would ever be strong or bitter enough to separate him from it.

Paul lists the suffering and hardships he endured and tells us none shall ever be able to separate us from Christ's love. This is profound faith not easily obtained.

Because it is easy to believe in God when all goes well, only when trouble and sorrow cloud our lives do we doubt. But Paul's representation of the strongest of Christian experiences. Many lesser Christians whose names are unknown, have suffered bitter trials and persecutions. They have found that Christ is nearer and richer when they have suffered the loss of everything.

Thus we can see how unfeeling is the love of God.

It is as Paul said: "I can do all things through Christ Who strengtheneth me."
