## FARM SALE NOTICE

Regarding the 215 acre farm 3 miles south of Plattsmouth advertised in last week's Journal—The trucker to whom we five farmers contracted to rock this 2½ miles of road past our farms, failed to get the job done before the snow storm, which drifted and melting got the newly graded road badly cut up with some heavy road machinery that went through. The road is now in bad condition for travel and advise any one who might care to inspect the above farm to delay till further NOTICE. Of course I will be glad to talk with one one who would care to see me regarding this farm.
