Increased Performance in New Chevrolets

The low, sweeping lines of the 1953 Chevrolets are exemplified by this four-door sedan in the "Two-Ten" series, which this year offers increased performance, comfort and convenience in addition to a complete re-design. Apparent in

this view are the enlarged front and rear vision, new fender and hood contours and a fresh grille treatment that enhance the rugged beauty of the cars. Four-door sedans are also available in the "One-Fifty" and the new Bel Air series.
