Are you shutting your child behind an "IRON CURTAIN"?

It is every child's right to share in the religious heritage of our nation . . . to have the doors of our churches and synagogues freely open to him . . . that God's house may become as dear and familiar as his own.

This blessed privilege . . . denied to the children of the Iron Curtain countries as a matter of state policy . . . is unhappily denied to many of our little ones because we are indifferent, or busy, or careless of our responsibilities.

Worship together this week . . . you and your children . . . and give thanks for the right to worship in the church or synagogue of your choice.

Show them the Way . . .
