The answers to everyday insurance problems*

QUESTION: Our next door neighbor loaned his car to a relative who got involved in a slight accident and then punched the other driver in the nose. I just wondered if our neighbor's Personal Injury policy would cover him if the other driver sued.

ANSWER: Ordinarily the policy would protect your friend so long as he himself was not involved in the fracas.

* If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no charge or obligation of any kind.

Local Woman Gets Mink Stole for 2nd Place Entry

Mrs. C. R. Bahde, 1303 Avenue D, Plattsmouth, is one of the nation's most fashionable women, and she has a new mink stole to prove it!

Winner of the second prize in the recent fifty-thousand dollar nationwide American Made Fashion Award, sponsored by a sewing machine company, Mrs. Bahde had an important role in the discovery of the typical American made fashion through the unique fashion search.

The American Made Fashion Award, held from October 5 to November 30 of last year, was entered by over fifty thousand women from all parts of the nation. They selected, from any pattern and fabric on the market, the combination they felt was typical of American fashions — the type of costume that Miss and Mrs. America find indispensable around the clock, around the country. Entrants had nothing to sew or buy, they listed their choices by brand names and numbers.

Mrs. Bahde topped the field with her typical American fashion selection of a rayon shark-skin suit in black raspberry, patterned after a magazine design. In winning her mink stole Mrs. Bahde shared the fifty-thousand dollar prize budget with 1900 women.
