BOMBS

bursting in air...

Centuries ago man invented gunpowder. Then he learned how to use that gunpowder to create beauty!
 And so, on the Fourth of July we celebrate Independence with fireworks.
 Our own generation has unleashed the stupendous power of the atom. Will we be so busy building bigger and more destructive bombs that it will take us centuries to learn how to use that atomic power to create beauty?
 Our Independence will never be complete until all of our implements of war can safely be turned into instruments to create beauty. And the only course of life which has ever given promise of such a day is the Christian religion our churches teach.
 America led the world to Democracy. America can lead the world to Christ!

HOLY BIBLE

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
