

Third Place Battle On In Bowling Loop Race

A four-team battle for third place in the Plattsmouth Bowling league standings looms with only four weeks remaining in the 90-game schedule. Bracketed within two games of each other for the number three spot are Timm's and Ernie's Bar, Conoco and the V. F. W.

And only four and six games ahead are the top running Alamito Dairy and American Legion.

The Dairy dropped its lead to two games following pin activity last week as they took two from the V. F. W. while the Legion was sweeping its three game series with Bradley Grocery. Their records are now 53-25 and 51-27. Al Fairfield posted a 235 game and a 535 series in leading the Dairymen while Carl Sell included a 203 game in his leading series for the Veterans.

Meanwhile, Cecil Figgins and Kenneth Dunlap led the Legionnaires to their three game sweep. Figgins had a 192 game in posting a 507 series. John Bradley led the grocers.

Timm's Bar saw its third place standings falter somewhat as they dropped two games to Woster Shoe Store, while Ernie's Bar was taking two games from Myers to move into a tie.

In other games last week Firestone took one from Marge & Elmer, and Eagles copped two games from Donats. The Plattsmouth Paint Store continued to rise in the standings by turning back Art & Minnie's twice, while Conoco was sweeping three games from Western Auto.

Gun Sale Nets \$4,612 Recently

A total of \$4,612.50 was received at the recent public auction of confiscated guns at the State Fair Grounds.

The sum, according to a Game Commission spokesman, was an all-time high. The average sale price per gun of \$35, however, was slightly less than that of last year.

Top price in the well attended auction was \$137 bid for a Winchester Model 70, 220 caliber rifle.

Receipts from the gun sale go into the Game Commission's general fund.

Loup River Sets Record Standard

The Loup river has provided two of the current state fish records—the yellow catfish and blue catfish.

In 1941, Harold Brown of Columbus, landed the record 47-pound, 6-ounce blue cat while fishing in the Loup off Buck Island at Columbus. In 1950, Leo Wozny of Columbus and Roy Hamilton together caught a 46-pound yellow cat in the Loup river power canal at Columbus.

Planting Crews Get Early Start

Nine planting crews of the Nebraska Game Commission are off to a two-week early start in their habitat planting program being carried on throughout most of the state. The early spring weather permitted the crews to begin planting two weeks sooner than usual.

Last year was the third consecutive year of increase in the traffic death toll.

Law Limits Two Hooks Per Line In Some Waters

The recently enacted law, limiting fishermen to two lines with a maximum of two hooks per line in lakes, ponds and reservoirs carried an emergency clause and is now in effect.

It is unlawful for any person, while fishing in any lake, pond or reservoir or in their inlets, outlets and canals within one-half mile of such lake, pond or reservoir to use more than two lines with two hooks on each line.

One hook means a single, double or treble pointed hook, and all hooks attached as a part of an artificial bait or lure shall be counted as one hook. This new law regulating the number of hooks and lines in the indicated waters does not apply to ice fishing.

Baseball Game Slated Tuesday With Millard

Coach Merle Stewart's baseball team will seek to open the season Tuesday at Millard. Weather conditions are "supposed" to be good and arrangements for the game were completed Monday.

Stewart said his starting lineup will probably include:

Larry Pierce, second base; John Ahrens, center field; Tom Conis, first base; Jon Schuetz, pitcher; Lyle Wood, catcher; John Blotzer or Denny Hinz, short stop; John Carper, right field; Byron Finnefrock, left field; and Terry Ernst or Bob Parriott, center field.

Commission Asks Reports on Tagged Catfish Caught

"Watch for the catfish with the metal tag." That's the request for help issued by Glen Foster of the Game Commission to all anglers who will fish the North Loup and Middle Loup rivers.

Foster, superintendent of fisheries, said about 1,000 fish were tagged at the North Platte hatchery and released in the Loup—500 in the North Loup near Burwell and 500 in the Middle Loup east of Halsey.

"The purpose of the tagging," said Foster, "is to help determine the extent of catfish movement throughout the year." This information will be helpful in future catfish stocking programs.

The tags, about 3-8 inch in diameter, were placed in the tail fin of the catfish. Each tag has a number and instruction to "Notify Neb." All anglers taking tagged cats are urged to send the tag to Glen Foster, Game Commission, State House, Lincoln.

GAME LAW REFRESHER

Carp, buffalo, suckers and other non-game fish may be taken with hook and line at any time without limit on size, bag or possession.

Eighty per cent of vehicles involved in fatal traffic accidents in 1952 were travelling straight ahead.

Golfers Bow in First Outings; Meet Set Tuesday

Plattsmouth high school's first golf squad failed to muster enough beginner's luck last week as they bowed in meets at Nebraska City and Omaha.

Nebraska City copped its triangular test with a low 18-hole total of 248. Pawnee City had 289 and Plattsmouth finished with 303.

Stuart Nielsen turned in the low game for Plattsmouth, a 92. Bob Back hit 105 and Melvin Todd came through with a 106.

Jene McGaffey of Nebraska City was medalist with an 82. His two teammates each turned in 83's.

At St. Joe of Omaha, the Plattsmouth squad bowed in a 9-hole test 126-134. John Carper had the low score for Plattsmouth. Also competing for the Devils were Ron Schneider and John Ahrens.

Nielsen, Carper, Schneider and Ahrens will compete Tuesday in a triangular with Nebraska City and Lincoln Northeast.

Cindermen Prep For Loop Meet

Plattsmouth high school thinclads will tune up this afternoon for the Ak-Sar-Ben conference track meet when they go against Nebraska Deaf in a dual meet at Memorial Athletic Field.

Coach Eugene Shields' track and field stars will be seeking their second dual victory. They nipped Louisville here ten days ago.

While field conditions won't match a cinder track, weather conditions point toward a good meet. Shields will probably pick his conference squad from the performances at the dual meet this afternoon.

Court House

Ralph A. Miller was fined \$15 and costs in county court on a charge of speeding. Miller pleaded guilty to the charge.

Benjamin H. Thomas was fined a total of \$60 on charge of speeding and speeding through a village when arrested in county court here. Judge Raymond J. Case fined Thomas \$50 on the first count and \$10 on the second. Thomas pleaded guilty.

Kenneth Wilson pleaded guilty in county court to a charge of defrauding an inn keeper and was fined \$20 and costs by Judge Raymond J. Case.

License for marriage was issued Friday to John Davis Bradley, 22, of Murray, and Margaret Ann Gaines, 18, of Plattsmouth. Clarence L. Hamilton was fined \$100 and costs in county court here after he pleaded guilty to a charge of drunken driving. Judge Case also suspended Hamilton's driver's license.

License for marriage has been issued in county court to Wm. H. Munyon, 58, of Glenwood, Ia., and Mabel Hansford, 53, also of Glenwood. They were married April 18 with Judge Case officiating. Attendants were Robert and Betty Caley, both of Glenwood.

Stanley J. Bigos was fined \$10 and costs in county court after he pleaded guilty to a charge of speeding.

SIMULTANEOUS BROADCASTING

Simultaneous broadcasting by the same FM radio station of two or three entirely different programs has been made possible under a system just perfected by Dr. Edwin H. Armstrong, inventor of FM broadcasting. A switch on the receiving set would control which program was to be received.

New Officers To Be Installed

New officers of the V. F. W. post and Auxiliary will be installed in a joint installation ceremony at the club Tuesday night, April 21.

Installation will follow a joint banquet of the two units. The banquet is set for 6:30 with installation to follow shortly afterwards.

Somewhat different than in previous years, the joint installation marks a deviation from the usual plan at which each group installs its own new officers.
