NEBRASKA RACING... FUN THAT CREATES FUNDS FOR YOUR COMMUNITY

In Nebraska, racing is a sport, not a business. Everyone shares in the proceeds. Your community... your charitable, educational and civic enterprises... your county fairs, stock shows and 4-H activities all benefit. These are just a few of the ways proceeds go back to you and over a million other Nebraskans.

Board members of Ak-Sar-Ben, just as your state and county fair boards, serve as a civic duty—without compensation of any kind. They serve because they know Nebraskans enjoy not only the exciting entertainment of racing in the friendly atmosphere of good Nebraska sunshine—but everyone also shares in the benefits.

Alumni Book To Be Published

Mrs. Victor Wallick reports that the Alumni book has gone to press. Over two hundred reservations have been made for this book and Mrs. Wallick thinks that there will be about two hundred more.

Only 15 people have not been located out of the 1140 people who have graduated from the Weeping Water high school.

Mrs. George Rhodes of Conway, Mo., located three people for Mrs. Wallick. She is not a graduate of the Weeping Water school but she ordered a book. She feels that she would enjoy reading about the post-graduates.

This book will give the graduates' name, where they live, their present occupation, and interesting items about them.

The Alumni banquet will be held on Saturday night, May 23, at the Cass County Auditorium.

Good Drivers Drive Safe Cars
Check Your Car - Check Accidents

Here's how to prove Pontiac value:
First, get behind the wheel and drive it—see how Pontiac puts you out in front in traffic, skims you along the open road with surprising economy; how its big, husky high-compression engine provides power to spare.
Next, take a good long look at its distinctive styling and its luxurious color-matched interiors.
Consider, also, Pontiac's reputation for unsurpassed dependability, long-range economy and high resale value.
Finally, compare its low price—so low, in fact, that if you can afford any new car you can afford a Pontiac. Why not come in and see for yourself?
