## Thanks Folks

This occasion marks the end of our third year of doing business in Plattsmouth. It's been a real pleasure to serve you. And your response to our effort has been most gratifying.

Ruback's have a great many things planned for the future — Our main object is to continue to provide our customers with the finest of foods, fast, courteous service, a clean modern place to shop, and last — but certainly far from least — we're going to continue our policy of making every price a **LOW PRICE** — For only in doing so may we continue to merit your patronage.
