Plattsmouth Journal,
Plattsmouth, Nebraska
Dear Sir:

It's a great privilege to thank you for the cooperation you have extended over the past year in the publishing of C. A. P. news as pertains to the South Omaha Squadron and extend my public information officer.

When you think of things connected with C. A. P. it isn't necessary to think in terms of some airport right out at the edge of our town because the great range and speed of the airplane puts any C. A. P. unit within a hundred miles radius of its location in a position to serve all of the communities located therein. We have even gone all the way out to North Platte to assist in search and rescue work in that area.

I do again want to thank you for the splendid cooperation you have given me in the publishing of news items concerning our South Omaha Squadron Civil Air Patrol, and extend my best wishes for a happy and successful coming new year.

Sincerely yours,
Lt. W. H. Phelps, P. I. O.,
South Omaha Squadron,
C. A. P.
