# An EAR to the SKY

A certain kind of alertness is typified by the man who keeps "an ear to the ground." That man wants to be ready for what is going to happen. Perhaps sometimes he has to guess—but he tries to be one guess ahead of the rest of us.

There is another kind of alertness that is far more important. It is typified by the man in our picture. He has "an ear to the sky."

He is trying to be ready—not for what is going to happen—but for what is happening. He wants to have the spiritual strength to meet today's problems. He knows that tomorrow's happiness will depend on the success with which he overcomes each obstacle today.

The Church is one of his listening posts. Its message helps him understand God, himself, and the World—right now.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
