

Ten Founded Social Workers Flower Club Forty Years Ago

The Social Workers Flower Club celebrated its fortieth anniversary on March 21, 1954, at the Mynard Community Hall.

The hall was beautifully decorated in blue and white, the colors of the club. At the front of the hall were several small tables, upon which were blue African violets against a white background.

Invitations were sent to all who have belonged during the forty years. Fifty names were registered in the guest book.

Letters, card, telegrams, and telephone calls were received from twenty former members who now reside in different states and were unable to attend. They came from different parts of Nebraska, Oklahoma, California, Missouri and Iowa.

Mrs. Georgia Creamer and Mrs. Dora Swangler welcomed the guests at the door and ushered them to their seats.

The serving table was covered with a white lace cloth, centered with a bouquet of white snapdragons and blue pom-poms, in a crystal vase, flanked by blue tapers in crystal holders.

Mrs. Sam Gilmour poured coffee from a silver service and Mrs. Ralph Doud served the cake and ice cream from large crystal serving plates. The mints were served from silver bowls. The individual servings of ice cream were white with a 40 and S.W.F.C. embossed in each piece. The white cakes were also individual servings frosted in white with blue rosettes.

Mrs. George Mumm called roll everyone present responding with a few words. All cards, letters, telegrams were also read. Mrs. Mumm presented corsages to Mrs. Ed Beins and Mrs. Nettie Smith Daly, who are the only living charter members, and Mrs. Sam Gilmour, who has belonged to the club the longest time and is still an active member.

A skit, reminiscence of the club, and a vocal duet were given by Mrs. Mike Kaffenberger and Mrs. Fred Sack. They were accompanied on the piano by Mrs. Richard Sack, who also gave several piano selections. The club history was read by Mrs. Mike Kaffenberger. The program closed by singing the club song, "God be with you 'till we meet again."

It was on March 19, 1914, that a little band of ten women met at the home of Mrs. Mary Taylor, and while quilting, they decided to form a club for the purpose of doing all the good they could in a systematic way, as well as sponsoring good fellowship among their neighbors. They called their club, "The Social Workers Flower Club." They began very timidly, but doing their best at all time to cheer the down hearted, assist in case of illness, and offer any assistance in any case of need. What war was declared they exerted themselves a little more and made comfort kits for all the boys who enlisted from the community. Later they took up the regular Red Cross work, in aid over 200 people have joined their ranks from time to time. Some have moved away, some have passed to the great beyond for which every member pays tribute in the name of the club, which now comprises 23 members. The club meets every month at the homes of members for a social gathering and to discuss and promote good will and aid the sick and needy. Mrs. Ralph Doud is president.
