

EAGLE

Mrs. John Fischer

Mr. Clarence Slosson of Walt Hill, Neb., visited friends at Eagle Saturday. Mr. Slosson is a former vocational ag. instructor at Eagle.

Mr. Rudolph Oberle was taken to the hospital via ambulance Wednesday. At this time he is very much improved.

The Carl Stamms' of Papillion

Neb., Kenneth Kennedys' of Omaha and Robert Duffield family of Ottawa, Kans., visited at the Harley Smith home last Sunday.

S/Sgt. Gayle Muenchau, son of Mr. and Mrs. Fred Muenchau, visited his parents a few days this week. He is stationed at Scott Field, Ill. Airbase.

The Lowell Muenchau family of Chadron, Neb., visited his parents, the Fred Muenchaus, last week-end and the former school graduates and Mr. Morgan is an agent for the New York Life Insurance Co.

Texans Are Guest At Fischer Home

Mr. and Mrs. Floyd E. Morgan of Ft. Worth, Texas and sister, Mrs. Joy Palmer and niece, Mrs. Veryl Morgan, Jr., of Lincoln, called at the John Fischer home Friday afternoon. The Morgans are former Elmwood school graduates and Mr. Morgan is an agent for the New York Life Insurance Co.

Woman Observes 91st Birthday

Grandma Clites of Otis, Colo., celebrated her 96th birthday on May 10th. Her granddaughter, Eva Clites Montague, husband and son of Newton, Kans., drove to Colorado to spend the week-end with Mother's Day and birthday. The former is the mother of Lance Clites of Eagle.

Mr. and Mrs. Donald Wulf of Humboldt, visited at the former's parents last week-end and attended the Eagle alumni banquet Friday evening, with 1944 class.

Mr. and Mrs. O. L. Fischer and son, Tim of Wymore, Neb., visited the former's parents, Mr. and Mrs. John Fischer last week-end and attended the alumni banquet when the class of '44 were recognized for their 10th year.

Mr. and Mrs. Boyd Rodaway and family have moved to the Milton Rodaway property, where they have arranged an upstairs apartment for the former for the present.

The mother and daughter banquet will be served by the ladies of the Women's Society of Christian Service of the Methodist church, June 4th.

Alumni Banquet Is Successful

The Eagle alumni banquet was a successful event. Friday evening, when it's reported, above average number of plates were served by the Junior class, deliciously prepared by the ladies of the Immanuel Lutheran church. Following the serving, the president, Howard Root, introduced the toastmaster, Wayne Weyers, who, in their turn and with the usual jovial manner, announced the topics and the toast including, Response, by Gail Earl. Those responding for toasts were Earl Schmidt, Neola Read Sackett, Eldon Crandell, Dorothy Allen and Jim Burks. The president then introduced the chairman of the program committee, Harvey Wall, who announced the numbers as follows: Senior class entertained with a vocal solo, Joyce Walker; vocal solo, Gary; duet by Joyce and Gary, accompanied on piano by Mrs. Be on Fischer. Mr. Wall presented the 50th year graduate, Mr. Ralph Allen of Lincoln, with a gold tie clasp.

Quartette, Messers. Root, Ron-hoode, Francke, Adams; vocal solo, Myrna Richards and vocal solo, Robert Walker, accompanied by Rita Hue, accompanied on piano by Mrs. Albert Francke, both the latter are from near Walton, Neb.

The parents and family of Pastor Dye, from Lyons, Neb., attended the Methodist worship service at Eagle Sunday morning.

Mr. John Fischer has arranged for the music days to be on Wednesday and Friday of each week for her present class and would appreciate if the others, who have inquired for lessons after close of school, please contact the former as soon as possible in order to assign the time for both the individual and progressive group presentations to be held during the summer.

HERE'S A PROBLEM
Texarkana, Tex. — This city has a problem—believe it or not—of what to do with too much money—a surplus of \$58,544. The present city council has decided to pass the problem on to the next administration—to decide whether to refund the money to the taxpayers or to seek court permission to use it for some other purpose. The city retired the last of a series of special bonds and found it had collected more than enough taxes to meet the debt. Hence, the surplus.

Soil Samples Wanted
The winter and spring rush is now over at the State Soil Testing Laboratory. Beginning May 15, four week service can be given. Take those samples now where fall seedings are to be made and for lime applications to be made this fall. By getting samples taken now, the fall rush can be avoided. Soil sample cartons and information sheets are available at the County Extension office. To date 296 soil samples from 115 Cass county farms have been tested at the laboratory since January 1, 1954.

cold resistant and withstand light frosts, planting as a general rule, should be delayed until about May 20 to June 1. Recommended full season varieties can be planted up to June 10 and earlier varieties still later. Planting in warm soil results in rapid emergence which allows more effective weed control. The last few years more better beans were raised in Cass county planted after June 1, than those planted earlier in May.

With soybean germination low this year, it is all the more important to plant after soil temperatures are warmer.

Surface planters or planters with furrow openers are superior

to listers for row planting. When soybeans are listed, the bean pods are borne so close to the ground that harvest losses are increased.

Now Is The Time To

1. Clear the yards and fields of broken glass, loose strands of wire, nail studded boards, and other litter that might cause accidents.
2. Provide satisfactory racks for all tools especially pitchforks, rakes, shovels, and other sharp tools.
3. See that adequate power takeoff shields are available and used at all times.
4. Save a life by refusing to take extra riders on the tractor.
5. Equip the tractor with adequate lights or reflectors for night driving on the roads.
6. Practice Safety in all farm and home operations.
7. Remember—"Always" is the time to be careful.

Plymouth
dares compare!

now...part-by-part proof that Plymouth is
America's "best-buy" low-price car!

No other low-price car would dare make a comparison like this: Plymouth engineers actually dismantled the three best-known low-price cars and compared them, part by part! Their findings, a few of which we've listed below, prove conclusively that Plymouth is far-and-away your "best buy" in the lowest-price field.

Here's just some of the overwhelming proof that Plymouth is "best buy"!

Comfort Level Seating

Both front and rear Plymouth seats are highest. Plymouth research found this more natural seating position gives greater posture protection and comfort.

Front Wheel Brakes

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth, straight-line stops without "grabbing." The "other two" have only one brake cylinder in each front wheel.

Spark Plugs

Because they last up to five times longer before re-setting is necessary, Plymouth uses resistor-type spark plugs. This type plug also produces smoother idling, better gas economy at low speeds.

Oil Bath Air Cleaner

An oil bath air cleaner can reduce engine wear as much as 90%. This unit is standard equipment on all Plymouth models; it is available only at extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.
