Signs on Gas Pumps To Tell Tax Paid By State Motorists

Starting next week gasoline pumps throughout Nebraska will display small permanent signs telling the total gasoline tax paid by motorists on each gallon they buy. E. Dale Smart of Omaha, Chairman of the Nebraska Petroleum Industries Committee, announced today.

The message on the signs will read: "Price includes 8c tax on each gallon."

Nebraska oil men are posting the Gas Tax reminders on service station pumps because they believe the public needs to be reminded about the gasoline tax.
