

Plattsmouth. Falls City Will Meet In Baseball Play-Off

Plattsmouth and Falls City Junior Legion baseball teams will square off in the first of a two-out-of-three series to determine the area winner and entry in the state Junior Legion baseball meet.

The first game will be played at Plattsmouth, the second at Falls City and if a third is required, managers of the two teams will pick the playoff spot. Winner will enter the area meet at Hastings on July 25.

Maynard Hobbs, manager of the Plattsmouth team, announced today that the first playoff game will be held here Sunday night, July 18. The game will start at 8 p. m.

The Class A playoff will shift to Falls City on Tuesday, July 20 for the second game, while the third tilt if necessary will be played on the 22nd.

Plattsmouth and Falls City Midgets are also scheduled to meet in a one-game playoff to decide the area entrant in the Midget baseball championship fight.

Though competing in regular season league play with Class

B teams, Plattsmouth is entered in Class A for the state championship. Winner of that meet will be bracketed with other area winners in the state finals, probably at York.

Prior to the playoff, Plattsmouth will attempt to get in the final two remaining league games this week. Weeping Water is scheduled to play here Tuesday night and Springfield is slated here Wednesday night.

Stuart Nielsen and Jim Pucelik will probably hurl the league games Tuesday and Wednesday night and will then be rested to take on Falls City in the regional next week.

In announcing playoff arrangements, Manager Hobbs explained that some top games are slated during the coming week here, and that baseball fans can see some interesting Junior Legion play and show support for the team by spending an evening at Memorial Athletic Field.

All games here during the coming week are slated for 8 p. m.

Water Safety Hints Offered By Health Expert

Swimming is the favorite vacation sport for summer no matter where you go and every year the same cautions of the sport are voiced. Yet every year approximately 3,500 fatalities are reported from swimming and playing in water accidents.

Helen Becker, extension health specialist at the University of Nebraska, lists a few precautions for water lovers. Never swim alone. Wait at least an hour after eating before going into the water. Don't overtax your energy by swimming too far or too long.

If you swim in the ocean watch out for those big rollers—

and the undercurrent. Ask about tides and local hazards. If you visit a fresh water lake, deep holes, currents and sudden storms may be prevalent. Never dive into unknown depths. PLAN FOR SAFE SWIMMING.

Midgets Hosts To Falls City In Tournament

Plattsmouth Midgets will be host to the regional Midget tournament here Thursday night, July 15, according to manager Robert Richter.

Richter won the toss with Jack McIntyre, Falls City Manager, to provide the spot for the regional playoff. Plattsmouth and Falls City are the two Midget entries from this area.

Richter announced that the game will be played at 7:30 Thursday night at Memorial Athletic Field. Tom Winscot is slated to hurl for the Plattsmouth Midgets. At stake is a trip to the area tournament and a shot at the state championship.

The one-game sudden-death tourney is the first regional tournament to be held at Plattsmouth in many years.

Along with Winscot the Plattsmouth starting lineup as selected today by Richter will have Bob Wilson, catcher; Bob Beverage, first base; Roger Sutton, second base; Alan Wiles or Ken Dasher, short stop; Larry Cundall, third base; Gary Howard, left field; Bill Brink, center field and Bill Long, right field.

Plattsmouth Midgets tuned up for the regional tourney by tripping Nebraska City 6-4, scoring twice in the first inning, once in the fourth and three times in the fifth.

Hits by Larry Cundall and Bob Wilson accounted for the first in scoring, while Cundall's second hit led to the score in the fourth.

Winscot hurled the win striking out six and tossing a four hitter.

Devils Blast Ashland 11-1 On Fine Pitching. Ten Hits

Stuart Nielsen and Terry Ernst hurled one-hit ball and were supported by a 10-hit Plattsmouth attack as the Junior Legion baseball team scored a 11-1 win over Ashland Wednesday night.

The lone hit by Ashland came in the fifth inning and led to the only Ashland run. Breemer, Ashland catcher, got the scratch hit and came around on two errors and a ground out.

Meanwhile the Blue Devils broke loose with five runs in the first inning to clinch the contest. A walk to Loren Haase, and baseruns by Vernon Kaffenberger, Denny Hinz, Terry Ernst and Jim Pucelik, followed by three putouts brought in the five markers.

The Devils continued the attack in the second inning scoring three times on two walks and four hits. Hinz and Ernst each collected their second hits in the three run inning to bring the count to 8-0.

In the third a walk to Denny Ptak, a single by Haase and an error brought in two more runs.

The Devils were blanked in the third inning, though they had two men on base and scored their final tally in the fifth on a walk to Hild and a hit by Cundall. The game was called at that point with Plattsmouth out front 11-1.

Nielsen and Ernst allowed but one hit, walked one and struck out 8. Only three Ashland runners reached base, one on an error.

Meanwhile Plattsmouth used the ten hits, seven bases on balls and two important Ashland errors to run up the 11 tallies.

Plattsmouth will be host to Springfield Wednesday night at Memorial Athletic Field at 8 p. m. and will play a postponed game with Weeping Water Tuesday night.

Safe Speed Saves Lives; Conditions Determine Rate

The solution to the problem of speed lies in convincing drivers that the only safe speed is a speed determined by prevailing conditions, and that the only intelligent speed is a safe speed, says Bill Lutes, farm safety specialist at the College of Agriculture.

Of the fatal accidents in 1952, some 28 per cent of the drivers were violating a speed law, 17 per cent were exceeding state speed limits, 11 per cent exceeding safe speed although traveling at less than the speed limit or where no stated limit existed.

A speeding car travels a greater distance between the time the brakes are applied and the time the car stops than a slow-moving vehicle travels in the same time.

According to a law of physics, Lutes says, energy is proportional to the square of the speed. In other words, if you double the speed, you'll hit four times as hard.

"Honestly, now, what's your hurry?"

Young Hoppers Abundant In Many Gardens

Grasshopper nymphs are very abundant in home gardens in certain areas, says Bob Roselle, extension entomologist at the University of Nebraska.

These hoppers may be controlled by using a chlordane 5 per cent dust, or 45 per cent emulsion concentrate at the rate of 4 teaspoons per gallon of water, Roselle says. Spray or dust the borders and weedy patches near the garden.

Chlordane may be used on potatoes, strawberries when they are not bearing, and ornamental plants. Chlordane should not be used on tomatoes, cucurbits, and other tender plants because of phytotoxic properties of chlordane. It should not be used on cabbages, lettuce, greens or other edible plants and plant parts.

NEW AIR FORCE ACADEMY
The new Air Force Academy will be situated at Colorado Springs, Colorado, according to an announcement by Air Force Secretary Harold E. Talbot. Mr. Talbot said he was satisfied that the site "is not only the best presented but that it is admirable for the establishment and development of the United States Air Force Academy."

No-hit hurling by Leon Bragg gave the Dodgers a 5-1 win over Tom Conis' Cardinals and undisputed first place in the Pee Wee Baseball league.

Bragg pitched five hitless innings leading the only Cardinal run in the fourth inning when a walk, stolen base and error permitted the lone marker.

Meanwhile his mates had picked up one run in the first, three in the second and another in the third.

Dick Souter walked the first man to face him to set the stage for the Dodgers' first run. Two hits and three walks in the second provided three runs, while hits by Williams and Benedict brought in the deciding run in the third.

The Dodgers lashed four hits off Souter including two by Benedict, Jerry Haase and Williams got the other two blows.

The win gave the Dodgers a 1-1 record to put them ahead of the Indians, while the loss dropped the Cardinals into fourth place with a 1-3 mark.
