**CROP CONTROLS**  
Rigid Federal crop controls have been relaxed as complaints from farm areas grew more numerous. Secretary of Agriculture Ezra Taft Benson denied, however, that political pressure was responsible, but said that the change was made necessary by the recent devastating droughts.

**U. S. JOBLESSNESS**  
AFL Chief Meany declared recently that \$6,000,000,000 will be lost in salaries and wages this year in the nation because of unemployment and called upon the Federal Government to take immediate steps to alleviate unemployment. According to the Federal census, there are approximately 3,500,000 unemployed persons in this country.
