The Gospel of Christ THE GRACE OF GOD and

THE OBEDIENCE OF FAITH

"By grace are ye saved through faith; and that not of yourselves; it is the gift of God: Not of works, lest any man should boast." (Ephesians 2:8, 9).

God, in his infinite mercy, has provided the way of salvation through the blood of his own dear Son. He offers this salvation freely to all, without respect of persons; but he does God has provided one way for all who would accept his free grace. This way is dependent, not upon works of merit, but upon "the obedience of faith" (Rom. 16:26). This obedience of faith claims no merit for the doer, but rather expresses his utter dependence upon the grace of God. Even baptism, the final act of submission which the believing, penitent sinner undergoes in becoming a child of God, is not a mere washing of the body but an earnest request to God 😨 for pardon. God is not obligated to us by our baptism, but he has promised to treat us all equally. Trusting in his promise, we show forth the death, burial, and resurrection X of our Lord Jesus Christ, and our dependence upon these things for our salvation, when we submit to baptism.
