**CHRISTIAN SCIENCE SERVICES**  
How God's infinite love for man redeems man from sin by destroying sin and revealing man's divine, sinless nature, will be explained at Christian Science services Sunday. The lesson-sermon is entitled "Everlasting Punishment."  
Among the passages from the Bible will be read the story of the Prodigal Son, including his forgiveness and his welcome back to his father's house, as told in Chapter 15 of Luke's gospel.  
The following selection on the overcoming of sin will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (327:9-13):  
"Evil is sometimes a man's highest conception of right, until his grasp on good grows stronger. Then he loses pleasure in wickedness, and it becomes his torment. The way to escape the misery of sin is to cease sinning. There is no other way."

## Bible Comment: Saint Paul Painted Word Picture of Tolerant World

In a world which, then as now, was beset with racial and sectional prejudices as intense as they have ever been, Saint Paul set the picture of a Christian world and society in which all such prejudices were dissolved in an environment of brotherly love and fellowship.

In a letter to the Christians at Colossae, where the slave-master Philemon to whom Paul had returned the slave Onesimus was a leader, Paul pictured that world of the new life in Christ. He said: "There is neither Greek nor Jew, nor Barbarian, Scythian bond nor free; but Christ is all in all."

It was a marvelous portrayal of a free world, set against a world of slavery and prejudice. Can anyone say that it is anything more than a Christian world ought to be?

But nearly 20 centuries after Paul we still live in a world in which racial prejudices are rife and intense.

One of the most distressing aspects of American democracy is that we should find in our midst highly organized groups of professing Christians carrying on widespread propaganda against those whom they do not happen to like.

It would be too much to say that the dark picture can be entirely brightened in the near future, for solution may not come in our time, but it is worth while to look as well at the bright side of the situation.

Despite all the evil in the world today, there has never been a time when so many men were viewing one another with good will and freedom from prejudice, willing to judge their fellows and treat them for what they are, without regard to color, religious affiliation or any other outward difference.

That is a great reason, and perhaps the greatest, for hope.

The Golden Text is from Psalms (130:7): "Let Israel hope in the Lord; for with the Lord there is mercy, and with him is plenteous redemption."

Let us prove worthy of their sacrifice...  
More Than 40,000 American Boys Killed in TRUMAN'S KOREAN WAR ALONE!

Today no more American Boys are dying on the blood-soaked slopes of Old Baldy and Pork Chop Hill, because the Republican team put the lives of American Boys ahead of a few rotten stinking dollars in their pockets. However this was by no means the total misery brought to American homes and families under the Truman regime. In addition more than 140,000 American Boys were maimed and crippled for the rest of their lives. Vote for the Republican team November 2nd and tell the World you are grateful the Korean holocaust has been brought to an end. The Republican candidates listed here will provide you with good honest constitutional government. They are of the highest integrity and ability.
