Blue Devils Primed for Their Tuesday Contest at Valley

Plattsmouth's Blue Devils will be in Valley tomorrow night for their second contest of the season, having taken the measure of Omaha Westside last Friday and emerging with a 60-38 victory.

Coach John Adkins gave much credit for the victory to a 47 percent shooting average, the Devils hitting 21 out of 47 field goal attempts. Westside hit 12 out of 42 for a 29 percent average.

Terry Ernst and Stu Nielsen were high for the Devils with 14 each, both with six field goals and two free throws. Ptak got 13 on three and seven. Wright hit 14 for Westside, four goals and six free tosses.

Plattsmouth jumped off to an early lead, hitting about six points before the city team got a free throw through the hoop. The Devils led 19-7 after the first quarter and 31-13 at halftime. Westside applied a pressing defense after the intermission, slowing down the Devils so they were unable to score for several minutes. They pulled out of it, however, and scored 12 points in the quarter while Westside got 14. In the final period Plattsmouth garnered 17 counters while Westside got only nine.

Adkins credited Denny Ptak and Ernst for outstanding work on rebounds.

The reserves won their preliminary game, 33-33.

"DEW LINE"

A 3,000-mile warning system across the Canadian Arctic will be linked with seven radar stations in Alaska to give both Canada and the United States a warning as quickly as possible of bomber attacks across the Polar wilderness. The United States Government will construct and finance the new line.

Only one percent of the almost 15,000 civilians employed by the U.S. Army in Northern Germany are Americans. The other civilian workers are Germans.

FEDERAL DEFICIT

The U. S. Treasury went \$7,106,000,000 into the red during the first four months of this fiscal year—about \$855,000,000 more than its deficit for the like period last year. While spending dropped to \$21,436,000,000 from the \$22,864,000,000 outlay during the same quarter of 1953, net tax receipts also dropped off—from \$16,613,000,000 to \$14,329,000,000.

TURKEYS

Turkey growers have been cautioned by the Agriculture Department to trim production next year or face "unsatisfactory prices." Indications point to a 1955 turkey crop "somewhat larger" than this year's record of 61,000,000 birds, which are selling at substantially lower prices than last year.

JOB NEEDS

The growing population needs 1,000,000 new jobs a year for the next twenty years, backed by \$13,300,000,000 of investment in factories and equipment, according to the U. S. Chamber of Commerce. Additional billions will be needed to make jobs for workers in industries that are declining.

Arctic airliners are opening a new passenger route.

Ptak's Arm No Downfall To Team

Denny Ptak, son of Mr. and Mrs. Theo. Ptak, is nursing a sprained right arm and shoulder.

Ptak was loping the new local basketball court and ran into the wall. However, the arm didn't hinder Ptak's play at Westside game last Friday night; he dropped 13 points in the basket, helping Plattsmouth to victory over Westside, 38-60.

Ptak is a senior, 6 ft., 3 in., and is one of last year's first stringers. He plays forward position on this year's team.

Indians Have 8 Lettermen On Cage Squad

The Weeping Water basketball team, which began its season Friday night at Ashland, boasts eight returning lettermen and eight who tower over the six-foot mark.

Others on the roster are Bob Anderson, Rick Applegate, Dean Appling, Sammy Beck, Larry Boardman, Bob Burgen, Herbert Capper, Bob Colbert, Jim Colbert, Milton Critzer, LaVern Pokter, Jerry Friesel, DeRoy Harshman, Leonard Hermann, Terry Jones, Walter Kassube, Larry Knott, Kenny Lauritzen, Charles Murphy, Dale Nielsen, Jerry Point, Phil Rhodes, Charles Seger and John Tyler. SPECIAL SESSION

While the special session of Congress, called to consider the censure of Senator Joe McCarthy (R-Wis.), may be costing a lot in terms of frayed nerves and tempers it is not costing much in dollars and cents. Senators get an annual salary for it—they get an annual salary of \$12,500, plus \$2,500 for expenses—regardless of how much time they spend in Washington. The biggest cost is earmarked for travel expenses. Senators get 20 cents a mile from home to Washington and back when called on official business. This is expected to cost between \$40,000 and \$50,000.
