**Club Hears Stories And Holiday Legends**

Holiday legends of different countries and legends of Christmas plants and flowers was the theme of the program presented by Mrs. John Chandler to members of the Nehawka Woman's club Friday at the home of Miss Evelyn Wolph. She brought out the fact that Mary, the purest woman who ever lived and most discussed character of the Bible, is honored at Christmas time only. On December 26 we lay Mary away, just as we put away the Christmas tree trimmings on the top closet shelf, to wait for next year. Thus we do not give her the place she deserves in our thoughts throughout the year.

Christmas poems were recited and Lois Whittington and Barbara Chandler sang Christmas songs.

Mrs. Emma Nutzman, with the aid of Miss Esther Barkhurst, music chairman, conducted the devotions of song and verse.

Mrs. F. O. Sand gave the district convention report and conducted the business meeting. The annual donation was given to the Child Saving Institute in Omaha.

Refreshments were served by Miss Wolph and her cohostesses, Mrs. Oren Pollard and Mrs. Dan Anderson. The table was decorated with festive holiday ornaments.

lary Christmas party will be held at the home of Mrs. Walter Wunderlich Tuesday noon at 12:30, December 14, with a covered dish luncheon. Mrs. Ruth Lundberg is Gold Star chairman, Mrs. Jim Sturm, program chairman. There will be a gift exchange.

"CHEAPER BY THE DOZEN"  
St. Louis, Mo. — Mr. and Mrs. Joseph C. Fauley are determined to find out if it's true that children are cheaper by the dozen. The birth of a baby boy brought their children up to twelve—ten boys and two girls, the oldest 23.

A REAL "FAMILY" CAR  
East Providence, R. I. — Four years ago, Louis S. Farias and his family decided they wanted a new car and so the entire family, including four children, began dropping dimes, nickels and dollar bills, into a box. Recently, when the hoard reached \$1,503.20, the Farias' lugged their

savings, consisting of 13,392 dimes, 240 nickels and 152 dollar bills to an automobile dealer and ordered a new car. The money, plus the old family car, was enough for a 1955 model.

Yanks confirm their acquisition of Turley and Larsen. Secretary, says reserve forces program completed.

## The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. Chevrolet and General Motors set out to build the first low-priced car that would:

- bring you the very freshest and finest styling.
- bring you the most advanced engine design and engineering features.
- bring you the performance and ride never before available in a low-priced car.
- bring you the finest workmanship and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, skills, resources and facilities to carry out this exciting new idea? Here is how this new Chevrolet changes all your ideas about cars!

### Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile... soft sweepiness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield... a new outlook for motoring.

### A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear

springs mean new balance in turns... turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get more level stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

### Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new and new "Blue-Flame" 6's. And a 12-volt electrical system gives you better ignition, faster starting, greater electrical reserve for any power assists you might desire. You have a transmission choice of Overdrive and automatic Powerglide (optional at extra cost) or standard shift.

### Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

MORE THAN A NEW CAR, A NEW CONCEPT OF LOW-COST MOTORING

Everything's new in the motoramic
