Now that you've seen them all...you can judge why the

1955 Studebaker

STILL SETS THE PACE
in advanced style

The design that won 30 outstanding awards

Now that you've seen virtually all the 1955 cars, you know the low Studebaker silhouette is the aim of most car designers. But Studebaker has gone even more distinctive

for 1955—with lines and looks that again are easily a year ahead in smartness. Increased power and performance, too. New low-level competitive prices.

Studebaker...so much better made...worth more when you trade!
