Secretary of Commerce Weeks recently expressed confidence that business expansion will continue during the first six months of 1955.

Washington, D. C. — While spectators looked on helplessly, Nelson V. Howe, Jr., 32-year-old unemployed painter, put his hands together in front of him as if he were going to dive into water and then plunged beneath the wheels of a 10,000-pound trailer truck. A certificate of suicide was issued.

The U. S. is tightening rules on scrap iron, steel exports.
