The present availability of God's goodness and power will be brought out in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (472:24-30 All): "All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made. Therefore the only reality of sin, sickness, or death is the awful fact that unrealities seem real to human, erring belief, until God strips off their disguise. They are not true, because they are not of God."

Jesus prayed that we may see the glory of things eternal; There is much glory in living here as one with God, and with one another; there is greater glory yet to come, that is—that which is beyond this world.
What Jesus prayed for is—that we may keep our eyes open, not only to that which is about us, but to that which is ahead, "The eternal glory of living forever with God." Jesus prayed for this, and for us as He faced the Cross.
