At Oak Hill Cemetery a graveside ceremony was conducted by the officers of the Bud of Promise Rebekah Lodge No. 49, Plattsouth, with Rev. Delap concluding the services.

Sturges and their son, Stephen Patterson Sturges of Omaha, and Miss Jennie Kathryn of Oak Park, Ill. Mrs. Kathryn Windham of Oak Park, Ill., Mrs. Virgil Perry, cousin entertained them at noon dinner.

Hermia Elizabeth Windham was born at Plattsouth, June 8, 1890, to Robert Baxter and Jennie Patterson Windham. When three years of age, she was stricken with a severe illness which permanently impaired her health. She received her education in the city schools and joined the Methodist church at an early age. Her mother died when she was 16 years old, leaving her husband and eight children. Hermia devoted her life to her father and the younger brothers and sisters, and in later years, when her brother, Robert's wife died, she also assumed the responsibility of his little girls Jennie, Kathryn and Lorene, whom she reared, making a home for them and her father until his death in 1925.

Always fond of children, Miss Hermia taught beginning music to small children and had a class in the Methodist Sunday school for several years. A keen lover of music, the hymns meant a great deal to her and she always sang with enthusiasm.

Miss Windham was a member of the Daughters of the American Revolution and the Rebekah Lodge.

She was a faithful attendant at church and the women's society meetings.

In later years she transferred her letter to her mother's church the Presbyterian, which she attended regularly and was active in the Women's Association.

Due to increasing ill health about 1950, she removed to the I. O. O. F. Home at York. She fell in October, 1954, and injured her back severely, but in spite of good care her condition required hospitalization, and she was taken to Lincoln where she remained until her death April 2, 1955.

She is survived by her sisters, Mrs. A. H. (Eileen) Sturges of Omaha; Mrs. Kenyon (Kathryn) Riddle of West Palm Beach, Fla.;

one brother, Samuel C., of St. Petersburg, Fla., and a number of nieces and nephews including Jennie Windham and her sister Lorene.

From April, 1944, to July 31, 1954 the American Red Cross prepared and donated 18,114,656 cubic centimeters of gamma globulin to State Health Departments and the Office of Defense Mobilization for free distribution to physicians for use in the prevention or modification of measles and the treatment of infectious hepatitis.
