154 Enrollment At Bible School

The Louisville Daily Vacation Bible School presented its final program Friday evening to a large audience of parents and friends. Each of the five departments contributed by singing the new songs they had learned, quoting scriptures and choral reading. A nice display of handicraft was shown by each group.

Total enrollment this year was 154 with an average attendance of 133. There were 76 pupils who were presented with a scroll for having a perfect attendance. Mrs. Harry Ahl, attendance secretary, presented these.

This was a successful undertaking and the teachers and helpers and the many other people who contributed in any way are to be commended.

Wunderlichs Tell Of Indiana Storm

Mr. and Mrs. Lester Underlich feel fortunate to be able to return home to tell about their trip to Indiana. They were in a tornado that unrooted practically every tree in its path. It was a little high and they were in a strongly built house at the time it hit. It made a two-mile path and they were just inside that line. They enjoyed their visit in spite of the reception they encountered.

Homeless Squirrels Find Cookies Good

Little did a mother squirrel know the fate of her babies, when she made a nest in a crib of corn just a short while before shelling time.

When Roger and Gene Noell learned that the two baby squirrels were homeless, they were ready to adopt them at once. They were fed with an eye dropper until a trip was made to

260 HORSEPOWER PACKARD 'PATRICIAN' — "ASK THE MAN WHO OWNS ONE"

SMOOTHS THE ROAD... LEVELS THE LOAD... Automatically

Rest assured... with Packard Torsion-Level Suspension you get the most relaxing, most reassuring ride on any road today!

Packard eliminated conventional coil and leaf springs, and designed Torsion-Level Suspension not just for cushioning effect, but to absorb all twisting forces due to up-and-down wheel movement... the same twisting forces that in other cars pitch and bounce the passengers, wrack the car frame and body.

A unique power-controlled Levelizer keeps the car automatically at ideal ride level, no matter what the passenger or luggage load.

Packard created a new "free-breathing" V-8 engine, unleashing up to 275 horsepower, and delivering more driving force to the rear wheels at all road speeds than any car! Packard's Twin Ultramatic, smoothest of all automatic transmissions, gives you your choice of starts!

The new Packard is a matchless blend of grace and spirit, luxury and good taste... truly, the one new car in the fine car field. Let us arrange a revealing test ride for you today!
