FROM OUR OLD FAMILY ALBUM...

What nostalgic memories this picture brings. Every Sunday morning we used to drive to Church in Pop's old "fiivver," picking up the Parson on the way. Today I live in a great city. I ride commuter's trains, and dictate letters, and spend endless hours "in conference." But I've never forgotten our Church in the field. It plowed deep furrows in my life, and planted the seeds of real happiness. Now I worship in the big "City Church." You might think it would be different; but it isn't. Folks are just as friendly. The Truth is just the same. And God is just as close. You see, in the country or in the city, Christians are good people trying to be better. And for folks like you and me who worship God, the Church—big or little—is home.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
