Christian Science Services "Is the Universe, including Man, evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services this Sunday.  
Scriptural selections from the King James Version of the Bible stress the supremacy of spiritual power and include the account of Christ Jesus feeding the multitude as recorded by Matthew (14:14-20) and John's account (6:16-21) of Jesus walking on the sea.  
Among the correlative passages to be read from "Science and Health with Key to the

**Bible Comment:**  
**We Inherit Home Ideal From Jews of Old**  
IN the heritage of Christianity from Judaism, the world owes the Jews a big debt, especially in their concept of the sanctity of home and family life.  
A great factor in the strength of the Jews historically, in spite of sufferings, persecutions and tragedies, has been this attitude toward home and family life, and this goes far back into Jewish history and religion.  
Christian teaching enforced all that Jesus and the disciples had known in all that Jewish heritage that the Master said He had not come to destroy but to fulfill.  
Love in all the relationships of life is the supreme demand of Christ. Love in home and family life in the Christian conception is the prime basis of happy and responsible living.  
All this is so obvious and elemental that to state it seems commonplace. But it is the commonplace things of life that are the most important, and too often neglected. Is there any area of life today in which the basic and commonplace things of Christian teaching are neglected, and set at naught, more than in this area of marriage, home and family?  
Surely this is a great problem facing Christians and the Christian Church, as well as all who are concerned about the social welfare.  
There would be more hope among nations and peoples, if there were more peace in homes, families, and in all the daily relationships of ordinary life.  
Scriptures" by Mary Baker Eddy will be the following (273:21-26): "God never ordained a material law to annul the spiritual law. If there were such a material law, it would oppose the supremacy of Spirit, God, and impugn the wisdom of the creator. Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws."

**TEETH IN WASTE BASKET**  
OKLAHOMA CITY, Okla. — Seeing a pupil struggling with a piece of candy, Mrs. Loretta Bonner, a teacher, told the boy to either swallow the candy or toss it in the wastepaper basket. The boy told her the candy was stuck in his teeth. Jokingly, Mrs. Bonner told the youngster to "toss your teeth in the basket with the candy." The boy complied, to her surprise, throwing candy and teeth into the trash basket — he had a full upper plate.
