

# Church News

**CHRISTIAN SCIENCE CHURCH**  
6th St. and 2nd Ave.  
Church and Sunday school.  
11 a.m.

Second Wednesday each month.  
Wednesday evening services 8 p.m.

How spiritual understanding of God as divine Love assures man of wise guidance and unlimited inspiration will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "Love" will include the following passage from the Biblical account of the guidance the children of Israel received in their flight from Egypt: "And the Lord went before them by day in a pillar of a cloud, to lead them the way; and by night in a pillar of fire to give them light: to go by day and night: He took not away the pillar of the cloud by day, nor the pillar of fire by night, from before the people." (Exodus 13: 12, 22).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is

the following (454:18-21): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action."

The Golden Text is from I John (4:8): "He that loveth not knoweth not God; for God is love."

## Heavy Mortar Company Arrives at Camp Carson

Sgt. William F. Baumgart, Plattsmouth, and Sgt. Eugene A. Klein, of Union, are shown here on their arrival at Fort Carson, Colo., for two weeks training with their unit, the Heavy Mortar Company, commanded by Capt. Cecil Karr of Plattsmouth. The

company will train for the next two weeks with the 89th Division. Members of the Plattsmouth company made the trip by private automobile. It was the first time in the history of the division that all personnel were allowed to travel to summer camp by private transportation.

### Bible Comment: Make Faith A Positive Affirmation

THE one thing worth knowing for the man born blind, who recovered his sight through the ministry of Jesus, was that he KNEW he could see.

The man's neighbors, the doubters, the enemies of Jesus—all were skeptical, or tried to explain the miracle away.

But the blind man, now seeing, set them straight about that. He said flatly, "I am he."

The appeal to the fact, or facts, is always the most incontrovertible evidence. To know one thing is far more important than not to know a great many things.

The ringing testimony of this former blind man seems symbolic of a sound and wholesome religious attitude that would give an anchorage of faith for many who have floundered in doubt.

Observation of the religiously insecure leads to the impression that they make more of their doubts than of any possible certainty they might have.

More than one eminent man has lived and died a skeptic, though speaking of the religion of other men in a way that would seem to suggest a yearning that never found satisfaction.

These people have everything necessary for the foundation of faith, if they would only stand upon the simple things that they know. But they so often make a "religion" of their doubts, and there is something tragic in a life that lacks affirmation.

Each of us must find in our life something to affirm, some thing of which we can say, "This I know."
