NATIONAL SAFETY COUNCIL
AWARD OF MERIT
PRESENTED TO
CONSUMERS PUBLIC POWER DISTRICT
COLUMBUS, NEBRASKA
FOR A NOTEWORTHY SAFETY PERFORMANCE
1954
Red H. Deussen

An AWARD of MERIT
That Pays Dividends in Better Electric Service!

Recently, and for the second consecutive year, The National Safety Council granted Consumers Public Power District its Annual Award of Merit for a noteworthy achievement in the field of Safety in electric utility operations. The Management and Employees of Consumers are proud of this record for two reasons. First, it means that a number of our employees and their families were spared the grief and suffering that follows in the wake of accidents. Secondly, accidents are costly in loss of manpower and property damage.

In reducing accident frequency and severity a contrasting increase in operating efficiency is obtained. To you, our electric customer, this means that highly skilled personnel are able to spend more man-hours on the job serving your electrical needs. By reducing lost man-hours and property damage due to accidents a significant contribution to lower operating costs is made—a fact which results in more efficient service, at lower cost, to you!

Bible Comment:

There Are Many Ways To Follow Jesus

WE need to be reminded that Jesus is not only Redeemer, Savior and Friend, but that in His Life He manifested from day to day all that He taught. He set an example for all who would believe in Him and follow Him. Jesus taught as much by example as by precept. When He taught the lesson of humility, and the greatness of service—a lesson that the Twelve needed to learn right up to the Last Supper, and the nearness of the Cross—Jesus set the example of the feet-washing.

He said, "If ye love Me, keep My commandments"; but He not only said "Do as I say," but "Follow Me."

To follow Jesus is not necessarily the same thing for us all. It was not so in the time of Jesus, Himself. To some He said, "Follow Me," in the sense of joining His actual company.

But those whom He sent away were as truly followers, spreading abroad their testimony as to what Jesus had done for them. The one thing that is certain is that Jesus set us an example of the spirit that must underlie all our words and actions.

To live by the precepts of the Master, and to live in His spirit, is to follow Him, whatever our task may be.

A crucial weakness of our national life is the fact that so many have no such spirit or devotion.

It is a crucial weakness of the church and of current Christianity, that so many who do not feel called to some special discipleship fail to be disciples at all. The man whom Jesus sent home was as truly a follower as those who remained.
