Could you play baseball without rules? No, in any game there are rules that must be followed.

And it's because of these rules that the game is orderly and interesting. Without them a ball game would result in complete confusion, and neither the players nor the spectators would enjoy it at all.

So it is with society. Through the ages the greatest civilizations have been those with the best rules and laws. Our own United States Constitution, a masterpiece in law, has proved that good government produces a great nation.

Life must also have rules if we are to live happily. And to guide us toward this end God has given us a set of rules, which is known the world over as the Ten Commandments.

Open your Bible and learn them today—and tomorrow and always you'll be a better, happier person.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
