9,654-Mile Journey To Alaska Thrills Elmwood Families

ELMWOOD — Mr. and Mrs. Ralph Creamer, Mr. Wm. Atchison of Elmwood and Mr. Fred Creamer of Waverly returned Aug. 24 from a month vacation trip to Alaska. They made the trip by auto traveling 9,654 miles. While in Alaska, they visited at the home of Mr. and Mrs. Gerald Churchill and Steven W. Valdez.

A trip to Anchorage, passing through the famous Matanuska Valley was an interesting side trip. They also took a day-long boat trip to the Columbia Glacier.

This freighter, loaded with thousands of tons of goods of all kinds, was unloaded at Valdez, stored in warehouses on the dock, and then freighted to various points in Alaska by semi-trailer freight trucks. This handling of freight is the principal industry of Valdez.

Mr. Churchill is a civil engineer employed by the government in road construction, with headquarters at Valdez. Steven returned to Nebraska with his grandparents and will attend school at Elmwood.

They report road conditions much better than they had expected and that they enjoyed beautiful scenery the entire way. Improvements are being made on much of the Alcan Highway, a great deal of it being black top and more being completed all the time.

The travelers feel they had a wonderful trip, one which they will always remember.

ANNOUNCING

A New Service For Our Borrowers

Leading banks throughout the country are offering to the members of their communities a plan of 'loan cancellation' which cancels a borrower's debt in event of his death.

We are happy to announce that we have made arrangements whereby we can offer this protection to our borrowers. Because the law permits a bank to subscribe to a 'group plan' we are able to offer this service at an extremely low rate. To illustrate the low cost, protecting a \$2,000 loan is no more expensive than subscribing to a daily newspaper.

On loans made on or after September 15, 1955, any qualified borrower who is not more than 65 years of age will be entitled to take advantage of this protection at a cost of only 7½¢ per month for each \$100 of indebtedness. The maximum protection per person is \$5,000.

This new feature is not compulsory. We offer it to you as another service of this bank. However, in view of the wonderful protection it provides for the families of our borrowers we sincerely recommend that each of our borrowers take full advantage of it.
