LUNCH LASTS 40 YEARS

MILWAUKEE, Wis. — Plumbers making repairs on a house which was built in 1915, cut into a wall and found a sandwich, wrapped in a newspaper dated Sept. 7, 1915. The sandwich was intact—rye bread, crust and all. The filling had blackened too much to tell what it was — and the bread was hard as a rock.

TARIFF CUTS

The United States will hold forth the possibility of tariff cuts on \$2,000,000,000 worth of imports as it bargains early next year for reciprocal concessions with twenty-five other nations.
