Plattsmouth postoffice will get a new roof. This was revealed at Kansas City today where W. A. Holloway, regional director of the General Services Administration, announced that the GSA has awarded a contract for roof replacement and other items at the postoffice here to the low bidder, the J. Earl Wilson Co., Inc., of Topeka, Kan.

Blue Devils To Try Wahoo There Friday

Plattsmouth high school's Blue Devils, still seeking their first win of the season take out for Wahoo Friday where they will go against that team Friday night.

Crippled, with 10 men on the injured list before last Friday's loss to Falls City here, the Devils are back nearly to strength for this one. All the cripples will at least be back in uniform and most of them playing. Only Dennis Burbee, hurt in a traffic accident, remained on the injured list. He was named by coaches as a possible returnee to the roster by next week.

Denny Hirz, regular fullback, who has been nursing a charley-horse all season, will be back Friday after Coach Burdette Hansen removed him from uniform before last Friday's game so his thigh bruise could get some rest.

Louisville Takes Humboldt 7 to 0

LOUISVILLE—A 15-yard slice by Baker in the third quarter here last Friday broke up a deadlock football game and gave Louisville a win over Humboldt by a score of 7-0.

The two teams battled to a standoff in the first half and in the fourth quarter with only the third quarter score breaking the monotony.

Plattsmouth's VFW footballers made the fans feel like kicking themselves for staying home Tuesday night.

They scouted the Peru State Teachers B team 18 to 13 and with a passle of thrills for a sparse crowd.

The VFW team began with a flashing 95-yard touchdown run in the first minute and ended things with a blazing goal line stand in the last minute.

Don Conyers, diminutive scat back, just off the Plattsmouth Blue Devils of last year, picked up Peru's opening kickoff boot on his own five and ran 95 yards untouched to score. The point kick attempt was blocked.

The Platters were full of fire. They cracked Peru backs so hard the ball bounded away in a fumble three times in the opening period. Tackle Gary Ashbaugh recovered a Peru fumble on the Plattsmouth three. Don Eaton recovered on the Plattsmouth 26 and Wayne Reike recovered on the Peru 48, but the Platters could do nothing with the ball. An neither could the surprised Peru team as the first quarter passed away 6-0 in favor of Plattsmouth.

Halfback Ken Koudell scored Peru's first touchdown in the second quarter when he sliced over from the four-yard line following a drive. Tom Eastman, 185-pound end from Chicago, booted the Peru point-after to give the junior Bohcats their first lead 7-5 with 9:11 minutes of the second quarter left.

The VFW marched on the next kickoff to the Peru three where Quarterback Ron Hughes

LESS PRINTED MONEY

One way the Treasury expects to save money for the taxpayers is to print less of it. The Treasury estimates it will save about \$1,350,000 a year, beginning Nov. 1, by turning out only about 86,000,000 sheets of new money, compared with 98,000,000 sheets in the last fiscal year. Each sheet contains 18 bills, about 63 per cent of which are \$1 bills.
