Why the spiritual qualities of honesty, unselfishness, and obedience are important to an understanding of Truth will be brought out at Christian Science services Sunday.
Scriptural selections to be read in the Lesson-Sermon entitled "Truth" will include Jesus' parable of the sower and his explanation of its meaning for his disciples. (Luke 8).
Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (272:3-8): "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek. In the soil of an 'honest and good heart' the seed must be sown; else it beareth not much fruit, for the swinish element in human nature uproots it."
The Golden Text is from Psalms (86:15): "Thou, O Lord, art a God full of compassion, and gracious, long-suffering, and plenteous in mercy and truth."
