## Plattsmouth, Council Bluffs Friends Rejoined by College

PERU — A friendship that started about 25 years ago has been renewed through the daughters of two former Peru State College students of the 1930's, who are presently enrolled.

The mothers, whose daughters started at Peru State this fall, are Mrs. L. F. Schultz of Council Bluffs and Mrs. John Svoboda of Plattsmouth.

The 1930 Peruvian had lost contact after leaving the Campus of a Thousand Oaks, but recognized each other the day they brought daughters, Barbara Ann Schultz and Margaret Svoboda to the women's residence hall last, September.

Since meeting again last September, the mothers not only renewed their friendships but "Bobby" and Margie" have become close friends. Had they

known their mothers had been friends in college, they would have arranged to room together this year. They are now planning to be roommates next year.

Barbara Ann was graduated from Abraham Lincoln high school in Council Bluffs last spring and Margaret was a 1955 Plattsmouth high school graduate. Future students for Peru State are Margaret's sisters, 10 and 6, and Barbara's brother, 12, and sister, 4.

The renewed friendships of Mrs. Schultz and Mrs. Svoboda has brought a chain reaction of finding former schoolmates of the pair. Mrs. Schultz is the former Osa McClusky and Mrs. Svoboda the former Helen Koubek. Their hometowns have not changed since they attended Peru State.
