

Devils Crock Wahoo

WAHOO — A team that saw its scoring ace limited to five points, and had to exist on free throws in the last half of the game, fell before hot field shooting basketball team from Plattsmouth here Friday night.

Wahoo lost to Plattsmouth 57 to 49 as Al Biggerstaff, Wahoo's ace shooter, hit only five and the home team made 11 out of 14 free throw chances, in the second half to stay in contention, scoring only four field baskets in the last half.

Plattsmouth was hotter from the field than in any game this season, hitting 46 per cent in the first half and 36 in the last for an average of 42 per cent for the game, at least 10 percentage points higher than in any game this year.

And the Blue Devils remain undefeated in the Ak-Sar-Ben conference, winning their fourth over Wahoo to lead the loop and heading fast toward the title with two games left.

Tuesday night the Blue Devils are home against Falls City in a Twin Rivers Conference game. The Plattsmouth team has yet to win a game in Twin Rivers play and if they stay hot, this could be No. 1.

Coach John Adkins of the Blue Devils removed his only regular returning from last year, Denny Hirz, early in the game after he picked up three quick fouls. Plattsmouth trailed at the quarter 14-16, but

Hirz' replacement, Sophomore Kenny Dasher, sent the Devils ahead with two fast fielders.

Coach Adkins then removed Dasher for Larry Long in a search for height and made the right move — Long and Dan Huebner controlled the backboards from there forward.

The Devils pulled into a one-point lead by the half; led by four points at the three-quarter mark, 43 to 39, and stretched that to six points before Wahoo's hammering with free throws tied up the score and sent Wahoo ahead by three.

Ed Egenberger, who was hitting about every free shot he let go, hit two from the top of the free throw circle to send the Devils ahead and they stretched the winning margin to eight points.

Dan Huebner led the Devils with 16 points. Erickson led Wahoo with 17.

Pioneer Farm Families May Expect Award

WEeping WATER—Pioneer Nebraska farm families are to be honored in a new awards program according to an announcement made jointly today by the Nebraska Association of Fair Managers and Ak-Sar-Ben, Omaha civic organization.

Joe Bender of the Cass County Fair at Weeping Water, chairman of a three-man committee for the Fair Association, said the program, under co-sponsorship of the Association of Fair Managers and Ak-Sar-Ben, is to be named the "Nebraska Pioneer Farm Award." Other committee members are Louis Jeppeson, Hubbard, of the Dakota County Fair, and L. E. Watson, Humboldt, of the Richardson County Fair.

Mr. Jeppeson originated the idea for the awards program and presented it to Jess L. Thurmond, chairman of the Ak-Sar-Ben Public Affairs Committee, who announced that the civic organization will cooperate in the presentation of awards to the honored families.

The program, an annual event starting this year, will honor the owners and operators of every farm in Nebraska which has remained in the same family for 100 years or longer.

Recipients of the awards will receive handsome, walnut-based plaques from Ak-Sar-Ben, and attractive certificates from the Association of Fair Managers. The awards will be presented at each recipient's county fair by representatives of Ak-Sar-Ben and the county fairs.

Mr. Bender said the officers of each county fair in the state will be asked to check records to obtain a list of farms in each county which have been in the same families for 100 years or longer.

DEFENSE The military budget for fiscal 1957 is expected to add up at least 35.2 billion dollars and may go even higher. By comparison, expenditures for the present fiscal year, ending June 30, 1956, are to total between 34 and 34.5 billions. The toughening Russian attitude is held responsible for the increase.

Auto Registration Total 5,215 Today

Motor vehicle license sales were moving well today. At noon 5,215 had been issued by the Cass county treasurer's office at Plattsmouth.

County Treasurer Alice Jayne McShane said that her office is not considering changing the method of giving out license plates, as Douglas county has. In that county business was so heavy it was planned to give the license applicant the next license number in series instead of the one they had the year before.

Mrs. McShane said that it will not be necessary in Cass county and the old license number will be issued if asked for.

Last day to received a motor vehicle license plate is the last day of this month, Feb. 29. All 1955 license plates will be delinquent on March 1.

Pirates Flip Union Yankees Score 72-42

ELMWOOD — The Pirates jumped off to a quick lead over the Union Yankees here Friday night and were in little danger. The Elmwood basketball team outscored Union in every quarter despite a liversal lacing of the lineup with reserves for Elmwood. The Pirates won 72 to 42.

The Pirate varsity threw a tough defense around Union scoring leader J. C. Draper and held him to six points in the first half. But, with the reserves playing in the last half, Draper, a freshman, poured in 20 points. Bob Hall led Pirate scoring with 18 points, followed by Dave Godbey.

FAMILY TONSILECTOMY Richmond, Va. — Mrs. Earl Williams stayed at the Richmond Eye Hospital with the three children of the family—Earl, Jr., 11 David 8, and Elizabeth, 4, who had just had their tonsils removed. Papa Williams went over to the animal hospital nearby to be with Danny, the family's 9-month-old collie pup, who also had his tonsils removed. It seems the dog was having some throat trouble and losing his appetite just like the kids, so he had his tonsils removed, too.
