M., Central Standard centerline of D Street to the Time, at which time and place centerline of West Street; thence the owners of property subject south along the centerline of provement and the passage of teen (215) feet south of and to the point of beginning. said resolution may be amended Street to the centerline of 3rd and passed or passed as pro- Street; thence south along the posed, said resolution being as centerline of 3rd Street to the

RESOLUTION OF NECESSITY BE IT RESOLVED by the Village Board of the Village of Elmwood, Nebraska:

Section 1. That the Village Board of the Village of Elmwood, Nebraska, having fully investigated and considered the sanitary conditions of said Village, and being fully advised in the premises thereof, and having duly considered the necessity of correcting and improving such conditions within the Village of Elmwood, Nebraska, hereby find and declare it advisable and necessary to pass this resolution and to build a sanitary sewer system in Sanitary Sewer District Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, and 16 consisting of main sewers and lateral sewers and thence northeasterly along the sewage treatment plant as here- west line of 7th Street to a point inafter provided.

Section 2. Sanitary Sewers shall be known and hereinafter designated as "Sanitary Sewer Districts Nos. 1, 2, 3, 4, 5, 6, 7 8, 9, 10, 11, 12, 13, 14, 15, and 16", said sanitary sewer system shall be constructed in accordance with the plans and specifications prepared by Harold Hoskins & Associates, Special Engineers, for the Village of Elm-Nebraska. Reference is hereby made to said plans and specifications which were filed in the office of the Village Clerk Village Board of said Village. Section 3. That said sanitary

system in Sanitary Sewer Districts No. 1, 2, 3, 4, 5, 6, 7, 8, 9 10, 11, 12, 13, 14, 15, and 16, shall be constructed of cast iron pipe, portland cement sewer pipe, and straight line pipets (00) as SANITARY SEWER DISTRICT any other material deemed suitable. In advertising for bids, bids shall be asked for on cast iron pipe and on both kinds of sewer pipe

Section 4. That said sanitary sewer system, consisting of main and 4th Street to the centerline sewers, lateral sewers and sewof F Street; thence east along age treatment plant as hereinafter provided, shall be constructed in said Village and the location terminal points, and size of sewers constituting said sewer system shall be as follows SANITARY SEWER DISTRICT
