**W. H. Smith Will Serve on Advisory Unit**  
OMAHA — Mr. Walter H. Smith of 624 North Sixth Street, Plattsmouth, has been named to a nationwide advisory and planning committee appointed by Creighton University.

The Very Rev. Carl M. Reinert, S. J., Creighton president, announced that the several hundred members of the Greater Creighton Committee have been chosen from among Omaha business and civic leaders and from among the 15 thousand Creighton alumni from coast to coast. Committee members are meeting in Omaha Friday and Saturday, March 23 and 24. Their function during the Convocation will be to review the University's building and long-range development plans. Following the Convocation the Greater Creighton Committee will continue to advise Creighton on its current ten-year development program. This is a \$14 million program announced by Father Reinert last month.

Membership on the Committee is by invitation of President Reinert.

Prizes and Awards  
There is an interesting rule on prizes — they are only taxable if you worked for them. Even the slightest action on your part to earn the prize — such as appearing on a quiz program or writing a slogan — makes it taxable income. But prizes awarded for scientific, literary or other achievements without any action by you to bring about your selection would be regarded as gifts to you rather than taxable income.

Some income, such as limited amounts of "sick pay" and the first \$50 of certain dividends, must be explained in the tax return but are not taxed.

The instructions that come with your tax forms give further information. Help is also available from the Internal Revenue Service, which urges you to consult a properly qualified advisor if you need outside assistance.
