Here's Where the New Ideas Come From...

General Motors' new Technical Center—largest of its kind in the world—employs 4,000 engineers, scientists and stylists. These vast resources combine with Pontiac's own ultramodern engineering facilities to bring you America's greatest automobile value—Pontiac, a General Motors Masterpiece.

Watch "Wide, Wide World"—NBC-TV, Sunday, May 20—report on GM's new Technical Center.

...and Here's Where they GO!

"CAN YOU SEE, STEER, STOP SAFELY?... CHECK YOUR CAR—CHECK ACCIDENTS."

You'll know the engineers have been up to something special the first time you ask this long, low beauty for action, for here's "go", you can't get anywhere else.

The "go" of the newest in high-compression, high-torque engines—Pontiac's Strato-Streak V-8, so advanced and so efficient it delivered

more actual miles per gallon than any other "eight" in the Mobilgas Economy Run!
The "go" of the newest in automatic transmissions—Pontiac's Strato-Flight Hydramatic*, specially engineered for Strato-Streak power and smooth as silk at any speed!
