 11:00 a. m. Morning Service.

Bible Comment:

Lord's Prayer Is Model Of Perfection

PRAYER and thanksgiving are linked together in Christian life. We cannot be truly thankful except in the spirit of prayer; otherwise our thankfulness may be concerned only with self. Nor can we be prayerful except in the spirit of thanksgiving, for our approach to God is unreal and inadequate unless back of it is what Paul expressed in his cry, "Thanks be to God for His unspeakable gift."

All this is expressed in the Lord's prayer, in the manner in which all prayer should be made. Let us note a few things concerning this manner. First, the prayer begins with God and with reverence toward Him. The first petition is that of God's kingdom come and the second is that His will may be done in earth as it is in heaven.

It is only upon this high plane that the Christian comes to pray for his own needs, and the Christian's prayer is not for wealth or abundance but for daily bread. The next petition links the Christian both with his fellow men and with God; as he prays for forgiveness of his own trespasses he asks only that he may be forgiven as he forgives others.

The prayer for deliverance from evil is an expansion of the prayer for forgiveness. And the Lord's prayer ends as it begins, with adoration to God and contemplation of His goodness. Paul admonished the early Christians to pray without ceasing. It is easy to pray without ceasing this sort of prayer, for it is not only expressed in words but is the constant aspiration of the devout soul.

REPORT FORMULA OFFERS DOSE-BY-DOSE RELIEF FROM PAINS OF RHEUMATISM. ARTHRITIS
 Curbs Pain Dose-by-Dose
 Users Relieved in Days—Not Weeks Here
 The discovery of the drug, salicylamide, which is reported safe to take without prescription yet has the power to bring blessed respite from the minor aches and pains of rheumatism and arthritis, is seen as offering dose-by-dose relief to countless sufferers from these dread conditions. To bring this drug to all, it has been formulated in easy-to-take tablets, called VERTASOL, which act internally to curb the minor but none-the-less arthritic and rheumatic distress in hands, arms, legs and shoulders. While results from the use of VERTASOL are most impressive, it is not offered as a temporary relief from minor aches and pains in cases of arthritis, rheumatism and sciatica. VERTASOL costs \$2.00 but considering results is not expensive and is sold with a money back guarantee by Schreiner Drug Store — 521 Main St. Plattsmouth — Mail Orders Filled
