The Gas Company's **Budget Plan**

The budget plan is a simple way to help you plan your household expenses. You merely arrange to pay your yearly heating costs in equal monthly payments.

Fuel consumption varies with the season, in summer it is very low, in winter it increases with the cold weather demands. The Gas Company's budget plan makes it easier to pay these regular expenses; especially when you have an exact allowance or a definite income to use for running your household.

Mail this coupon or call and make arrangements to pay your heating costs the easy way . . . The Gas Company's Budget Way,

9 am interested in the budget plan. Please send information for my residence. ... PLEASE PRINT ...
