Other low-price cars can't possibly give you these 7 big Plymouth extras!

Do you own a '53, '54 or '55 model of one of the low-price 3? Then here's what you're missing—look how much more the all-new Plymouth offers:

1 Tomorrow's styling today: You can easily see Plymouth is all new, while other low-price cars haven't changed much in the last two years.
2 Biggest, inside and outside: Plymouth's the biggest, longest, roomiest car of the low-price three. A smoother ride and more room to enjoy it!

3 Exclusive Push-Button Driving: With a mere finger touch, you select your driving range—as you'd ring a doorbell. On left, out of children's reach. Positive, mechanical linkage.

4 Choice of two superb engines: Pick either Plymouth's sensational Hy-Fire V-8 (up to 200 hp -240 hp in the Fury) or the PowerFlow 6.

5 Top take-off and passing power across the board: Plymouth's 90-90 Turbo-Torque provides

the greatest breakaway and passing power in all models of any low-price car.

6 Greatest attention to safety: Plymouth gives you many more standard equipment safety features—Safety-Rim wheels, electric windshield wipers, SafeGuard door latches, dozens more.

7 Far more extra-value features: Plymouth's low price includes many exclusive luxury features. Compare at your Plymouth dealer's today!

PLYMOUTH costs less

From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.
