"Don't worry! mother, dinner is safe... I've got a KITCHEN TELEPHONE"

One of the handiest appliances a modern homemaker can have is a kitchen telephone.

It lets you keep an eye on what's cooking while keeping an ear to news of the family. A kitchen telephone can run errands for you, too. Any way you look at it, a telephone in the kitchen is so convenient... and so pleasant to have. Besides, it costs so little, only \$1.00 per month, plus tax.

Why not call our business office to install a telephone in your kitchen today.
