Two Men Arrested On Arson Rap

Continued From Page One
Local registration showed that Payne had come to Plattsmouth earlier this year and had an Omaha title to a 53 model car. With this lead and a check with Omaha car dealers, it was learned that he had purchased a 56 station wagon and was operating it on the fictitious Cass County plates. A finance company furnished the sheriff with Payne's Omaha address and his arrest followed. The car was impounded by the sheriff. Sheriff Solomon gave credit to Hob Hinz for his alertness in taking the license number of the car as it sped from the driveway from the Thompson home.

Payne is the father of three children. Christensen is the father of four. Both have served in the military service and have no previous records. They both are employed by a stockyards commission company in Omaha. Christensen is a former Omaha resident but moved to Cass County last year.

All stolen property was recovered at the Christensen home and is being held at the Sheriff's office.

Death Of Mrs. Pollock Parme
Word was received here Saturday by Mrs. Virgil Perry of the death of her cousin, Mrs. Pollock Parme, at her home, 1444 South Cotner Boulevard, Lincoln.

Funeral services will be held Tuesday at 1 p. m., at Wadlow's in Lincoln. Rev. Keith Delap of the First Presbyterian Church of Plattsmouth will have charge, with Cornelia Cole as organist.

Graveside services will be at 3 o'clock at the Parme plot in Oakhill Cemetery.

Survivors are: husband, Pollock; daughter, Mrs. R. J. Avery of Glenview, Illinois; sisters, Mrs. M. A. Algren, Evanston, Illinois, Mrs. L. E. Barry Placerville, California; father, George Bird of South Bend, Ind., and five grandchildren.

Among the members of the "Old Timers" team participating in their baseball battle at the Omaha Stadium Sunday was Edward Gradoville of this city, long active in amateur baseball circles in this part of the state.

Ed was for many years one of the leading catchers of Nebraska, playing with the old Red Sox and various Plattsmouth teams down through the years.

He still retains his great interest in the great national pastime, when opportunity affords makes trips back to Chicago to see the White Sox and Cubs when they play at home.

Polio Vaccine
Salk poliomyelitis vaccine is now being produced faster than some areas can use it, according to the U. S. Public Health Service, which recently released 4,170,591 shots, raising the output during June to more than 10,000,000. That is more than one-third of all the vaccine released in 1955.

Missouri River Boaters Plan Rendezvous

Missouri river boat club enthusiasts from Omaha, Nebr., City and Lincoln are planning a grand cruise and picnic to be held at the Plattsmouth city park on Sunday, September 16th. In case of rain it has been arranged that the event will be held on the succeeding Sunday.
The Plattsmouth harbor is located seven blocks east and two south of the Burlington underpass at the foot of Main Street handling the craft expected to be here.
Family non-boaters will make the trip by autos with food or can be supplied by Plattsmouth restaurants.
It is expected that forty-five boats will represent Nebraska City and Lincoln as well as a large group of the Omaha Boat Club membership in the day of pleasure.
Boat club and boating units are urged to accommodate photographers when in sight of Plattsmouth harbor (mile markers) 609 or 607) to head in four abreast.
