

Devils Win Statistic Battle But Lose To Pioneers 21 To 12

Louisville Wins From Syracuse 13-7

Trailing in the first portion of the football game Friday with Syracuse, the Louisville Lions came back to win by the score of 13 to 7. The game was played at Louisville.

In the opening quarter Louisville was penalized, the touchdown of Urwin was nullified. The game was played to a tieless score at half time.

In the third quarter the Lions registered when after the kickoff to the Rockets, Louisville held their opponent for downs. The Lions worked the ball across the field to the twenty yard strip, where Alfrey was able to dodge the Rocket tacklers to run through to pay dirt. The point was good and the score was 7 to 0 for the Lions.

In the fourth quarter both teams scored. For Louisville, Urwin secured the ball in mid-field and raced to the Rockets goal to score standing up. The try for point was no good and Louisville led 13 to 0.

Syracuse tallied in the last quarter when they worked the ball across the field to score and the try for point was good, making the score 13 to 7.

Louisville threatened in the dying moments of the game but ran out of gas and time as the game ended.

The Plattsmouth Blue Devils lost to Nebraska City last night 21-12. The Devils outstruck and outpassed their opponents but found themselves on the short end of the score.

Plattsmouth drew first blood in the opening minutes of play. After gaining possession of the ball, the Devils, with the rushing of Larry Long and Jerry Sayers and the digging of the line, moved the ball to the 11 yard line. Long went the final distance to make the score 6-0. The extra point attempt was no good.

Nebraska City took the ball and was able to move to the 12 of Plattsmouth, because the strong wind held down a Plattsmouth punt. The Pioneers' all-state candidate, Dick Place, ran the ball over to tie the score. The extra point was added by Bob Harding. The Pioneers took the lead, 7-6.

The second quarter was briefed by a scoreboard clock failure, and about four minutes of playing time was lost. There was no scoring, and at half time the score remained Plattsmouth 6, Nebraska City 7.

Late in the third quarter, Nebraska City capitalized on a fumbled punt attempt. Seconds later, Dick Place scored from

the 7 yard line; to make the score 14-6. The Pioneers threatened again as the period ended, but the sparkling defense of the Devils was able to stop them.

But early in the fourth period, Dick Place intercepted a Larry Long pass on the 25 yard line, Mac Ryder scored on a plunge a few plays later, and the score was 21-6.

The Devils came through with a final touchdown with 10 seconds left in the game. Long recovered a fumble to set it up. He then fired a short pass to end Larry Cundall, who in turn pitched to Tom Winscot who ran the ball over the goal. Winscot's place-kick attempt was blocked, and the game ended with the final score: Nebraska City 21, Plattsmouth 12.

Coach Hansen said that the defensive work of the Devils was the best that he had seen all year. The four linebackers, John Konfrst, Lauren Todd, Toby Albee and Ken Dasher did excellent work. Special praise went to Todd, who limited Place to 66 yards, one of the poorest nights that Place has had. The line praise went to Big Mike Lewis and Lauren Fleischman. On offense, little Jerry Sayers and big Larry Long showed the way. With the line banging out the holes, Sayers averaged 11 yards per carry. He once broke loose for 42 yards—the longest single run of the evening.

Those seeing action for Plattsmouth were: Bob Wilson, Ken Sayers, Roger Sutton, Lauren Fleischman, Gary Horan, Tom Winscot, Larry Cundall, Bill Long, Larry Long, Toby Albee, Bob Hutton, Den Burbee, Dave Anderson, Ken Pritchard, Lauren Todd, Mike Lewis, Bob Beverage, and Chester Bowman.

Pheasant Season Opens Saturday

Starting on Saturday, Oct. 27 and continuing until Nov. 18 there will be a large number of pheasant widows throughout the length and breadth of the good state of Nebraska, as this means that the pheasant hunting season is on with all the state excepting especially marked areas, open to the hunters.

Many have claimed that the supply of the birds will be short due to the heavy drains of the past year and the drought on the bird life of the state. Local hunters are planning their hunting trips and localities where they may have farmer friends that will welcome their coming.

Japanese Missionary To Speak At Eagle

Immanuel Lutheran Church of Eagle will hold its Annual Mission Festival October 28. The Reverend E. Edward Hackmann, pastor of the church has announced that the theme will be Japanese Missions. Guest speaker for the occasion will be the Rev. Paul M. Heerboth, a missionary from Japan, who has served six and a half years among the Japanese people; and at present is spending a year of furlough teaching at St. Paul's College in Concordia, Mo.

Missionary Heerboth, a graduate of Concordia Seminary, St. Louis, Mo., began his work among the Japanese in 1949; his first two years on the island of Hokkaido in Northern Japan. This time was devoted to language study and initiating mission work in Sapporo, the capital city and cultural center of the island. During this time, he also began work in the commercial seaport of Otaru, and organized plans for establishing a Youth Center in Sapporo, a building project made possible by contributions from American Lutheran League Societies, the youth organizations of the Lutheran Church, Missouri Synod.

From 1951-55, Missionary Heerboth lived in Tokyo, directing the work of translating Christian literature into the Japanese language. During this time, he also taught in a Bible Institute, which in 1953 became the first Lutheran Seminary in Japan for the training of Japanese national pastors.

Missionary Heerboth will speak at Immanuel Church in services at 10 a. m. and at 2:30 in the afternoon. A basket dinner will be served at the church at noon. Pastor Hackmann stated that everyone is welcome to attend the Festival Day and hear Missionary Heerboth's account of mission work among the Japanese people.

Charles Green Will Manage Murray Station

Charles Green, who has been employed at the C. E. Shellenbarger Sinclair Station in Plattsmouth, has taken over management of the Murray Sinclair station on Highways 73-75-34, he announced today.

Mr. Green has changed the name of the station from Rock Creek to Charlies Service Station, opening for business this Thursday morning. He invites old customers as well as new to stop in when in the vicinity.

Coming to Plattsmouth with his parents when only two years of age, Mr. Green has made his home here since with the exception of two short periods spent in Nemaha county and in Oregon.

He has his home in this city at 11th and Fifth Ave., where the family will continue to reside.

Mr. and Mrs. Green are the parents of nine children, four girls and five boys, all of whom are married with the exception of the youngest boy now stationed with the armed forces in England.

Christian Church Fellowship Dinner

On Friday, October 28th at 6:30 the Christian Church will have a fellowship dinner followed by installation of new officers. Prof. Raleigh J. Peterson of Cotner School of Religion will speak on the duties of the new officers.

On Sunday, October 28th at 7:30 p. m. the minister Roger Heimer will show pictures of his brother's mission work in the Belgian Congo. Haldon Heimer is a member of the United Christian Missionary society and is stationed at Ifumo. The public is invited.

Wiltshire Sale At Weeping Water

History was made Monday night in Weeping Water when the first Wiltshire sale of open gilts in Nebraska was held. The fire department was called a "huge success" with a top price of \$57.50 paid. John Dietel and Victor Ross, both of Nehawka, were the heaviest buyers at the sale and also sold a few boars. Young and Lacy were auctioneers for the event.

George Haith Trial Is Continued Until November 2

(Continued From Page 1)
driving and was fined \$25 plus \$4 court costs. John W. White, pleaded guilty and paid a fine of \$25 and \$4 court costs. Auburn resident Earl Moody pleaded guilty to failing to stop at a school sign and was fined \$3 plus \$4 costs by Judge Graves.

FROM THE SIDELINES

By EARL S. DAPP

And a good Thursday afternoon to you. This is From the Sidelines' first appearance in the Plattsmouth Journal and intentions of the writer are to make it a regular feature of the publication.

The column will be limited to athletic activity — on all fronts — in Cass county with, now and then, a blurb on colleges nearest this city.

Being neither an Arch Ward, Gayle Talbot nor Bill Corum, From the Sidelines is not a pretender to the title "Sports Expert". However, after rattling around the sidelines of many an athletic contest spaced over a period of several years, the writer feels a certain competence in discussing many varieties of sports.

The column will welcome queries (legitimate) on sports questions. If the answer is not known, an attempt will be made to find the correct one.

An attempt will be made, in the weeks to come, to broaden the scope of material carried on the Journal's sports page and give readers, within the limitations of time and ability, as colorful a portrayal of the local sports picture as possible.

From the Sidelines will welcome comment from readers and, whenever possible, will use the material furnished.

With From the Sidelines the newest of newcomers on the Plattsmouth and Cass County sports scene any attempt in today's column to enter into a local athletic discussion would be the purest bunk on part of the writer. But the baptism is near, and, with that completed, the column will feel more at ease in making comments of local nature.

Election Boards To Be Named By City Council

(Continued From Page 1)
police car had gone unanswered. The city had issued public notice that bids for a new official vehicle would be accepted at the Monday meeting.

Because the call for bids was unanswered, the council decided to "make do" with the present car at least for the time being.

In other actions the council gave its stamp of approval to requests by three property owners for driveway, receiving council green lights were: Gene Krings, 920 Third Ave., Enno Ahrens, south 10th; and Charles Warga, Jr., south 7th.

The council also okayed requests by Ahrens and T. J. Mendhall, on the west side of highway 34, to excavate in order to permit sanitary sewer connections.

The city clerk also informed the council he had received a reply from R. L. Meyer, of the state highway department, concerning his request to "do something" about the rate of speed cars are entering Plattsmouth on highway 73 from the north.

Meyers, in his letter to Olson, said he would "check very shortly" to see what can be done to make motorists more aware of the fact they are entering a reduced speed zone.

Region Lions Guests Local Club Tuesday

(Continued From Page 1)
sume of outstanding work done by Lions Clubs in the region and entertainment for young people, and the numerous money raising programs that assisted in charity work among those in need.

Miss Donna Ernst, daughter of Mr. and Mrs. Ed Ernst, former Lion district governor, presented two solos accompanied by Mrs. Ernst.

A comic act by Merlin McKimpson in Arab costume with impersonations of rock 'n roll and "Sixteen Tons" had his audience on the verge of collapse.

A quartette, Joe York, Cecil Karr, Bob Tritsch and Leo Scallan, all Lions, presented two numbers that were well received.

Zone Chairman Cecil Karr, Region 1, and Harry Walters, Region 2, of Millard, introduced members of visiting clubs. District Governor Chester N. Sutton, Blair, introduced distinguished guests.

Highlights of the evening was an address by B. A. "Barney" Fuller, International Director from Centerville, Ia. Lion Fuller urged members and clubs to make concerted effort to push their memberships by selecting men with ability and leadership to join with their local Lions in community and civic projects that assist in helping those in need and home towns better places in which to live.

Much credit for success of the District Banquet is due President Fred Feldhausen, Dr. W. V. Ryan, H. M. Johnson, Ray Story, Cecil Karr, William Babbitt, Chris Bullin and Mr. and Mrs. John Sattler, and many others who contributed time and effort in program arrangements.

Plattsmouth Student At Iowa State Given Role In Campus Play

A Plattsmouth student at Iowa State College has been named for an important role in "My Three Angels," a rollicking comedy to be presented by the Iowa State Players on November 8, 9 and 10.

Michael Shellenbarger, son of Mr. and Mrs. C. E. Shellenbarger, 209 South 9th, Plattsmouth, has been assigned the role of Paul in the play which is set in New Guinea around Christmas time.

The plot centers around "three angels" who, in reality, are convicts attempting to solve one family's problems. The production is under the direction of Frank Brandt of the department of English and speech.

Alexander Motors Adds New Service For Automobiles

A new service—that of customizing and rebuilding cars—has been added at the Alexander Motor Co., 125 So. 5th, Plattsmouth.

Taking over the new department will be Lester "Smokey" Core, a native of Red Oak, Ia., and a former resident of Detroit. During his residence in the Michigan City Core worked at the Chrysler automobile plant and various garages in the city.

He is married and the father of three children. Core will move his family to Plattsmouth as soon as he can find suitable housing. The family at present is staying in Red Oak.

Ford Cracks Many Marks In Endurance Run At Bonneville

A 1957 Ford has traveled more than 50,000 miles at an average speed of more than 108 miles per hour on the Bonneville, Utah Salt Flats to capture all records from one mile up to 50,000 miles for a total of 458 national and international marks. This totals more records than ever have been held by any other stock car, Jerry Eiting, Ford dealer at Plattsmouth, announced today.

He said the same type of 1957 Ford may be test driven by Plattsmouth residents, and he issued an invitation to the public to try America's most rugged car.
